

DENVER

 DENVER INTERNATIONAL AIRPORT  
South Terminal Redevelopment Program

# Construction Outreach Event

*Wednesday, Aug. 3, 2011*

# WELCOME!

As the South Terminal Redevelopment Program continues on its path of completing the original vision of Denver International Airport, we welcome and encourage you to join us as we progress closer to the start of construction.

We have designed today's outreach event to serve as a forum for M/WBE firms interested in pursuing construction services opportunities as subcontractors to our team of Construction Managers/General Contractors (CM/GCs). We are excited to introduce our team of CM/GCs – Kiewit, Mortenson and South Terminal Expansion Partners (STEP) – and for you to learn about opportunities on the program, introduce your capabilities and learn about the subcontracting requirements of each CM/GC.

# WHY NOW?

**This event is the first of several construction outreach events on behalf of the South Terminal Redevelopment Program and is intended to:**

- Introduce our team of Construction Managers/General Contractors (CM/GCs)
- Bring together firms seeking potential teaming partners
- Provide access to resources designed to assist M/WBE businesses in becoming successful and competitive on this program and others
- Serve as a networking opportunity

Our overall goal and reason for holding this event is to **bring M/WBE firms to the table as early in the process as possible**. We invite you to start building relationships with key decision makers and lay the foundation for potential opportunities on the program.

# WHAT TO EXPECT

Today's program will begin with a general presentation on the status of the South Terminal Redevelopment Program, our Diversity Initiatives and an introduction of the CM/GCs. Following the general presentation we will split into three roundtable sessions, which will occur simultaneously for 30 minutes. Each of these roundtable sessions will be hosted by a different CM/GC and will be structured to facilitate meaningful, small group interaction with decision-makers from each of our primes. Every half-hour, groups will be asked to rotate to the next session. Firms may choose to attend a roundtable session, visit the multiple resource stations available in the main ballroom and/or network. Please reference the map on the back of this program for details on where specific sessions are located.

## CM/GCs

### **KIEWIT:** *Utilities & Enabling*

Contact: John Todd, Project Manager  
john.todd@kiewit.com, 303-930-9046

## DIVERSITY OUTREACH PROGRAM

DIA's South Terminal Redevelopment Program is committed to increasing participation and capacity of Minority and Women-owned Business Enterprises (M/WBEs) through contract opportunities, educational programs, prime engagement, and workforce and business development.

To help drive this commitment, Parsons, Program Manager on the South Terminal Redevelopment Program, is working with our partners on this program to ensure M/WBE businesses have equal or greater opportunities in building DIA's future, as they did in its foundation.

## AGENDA

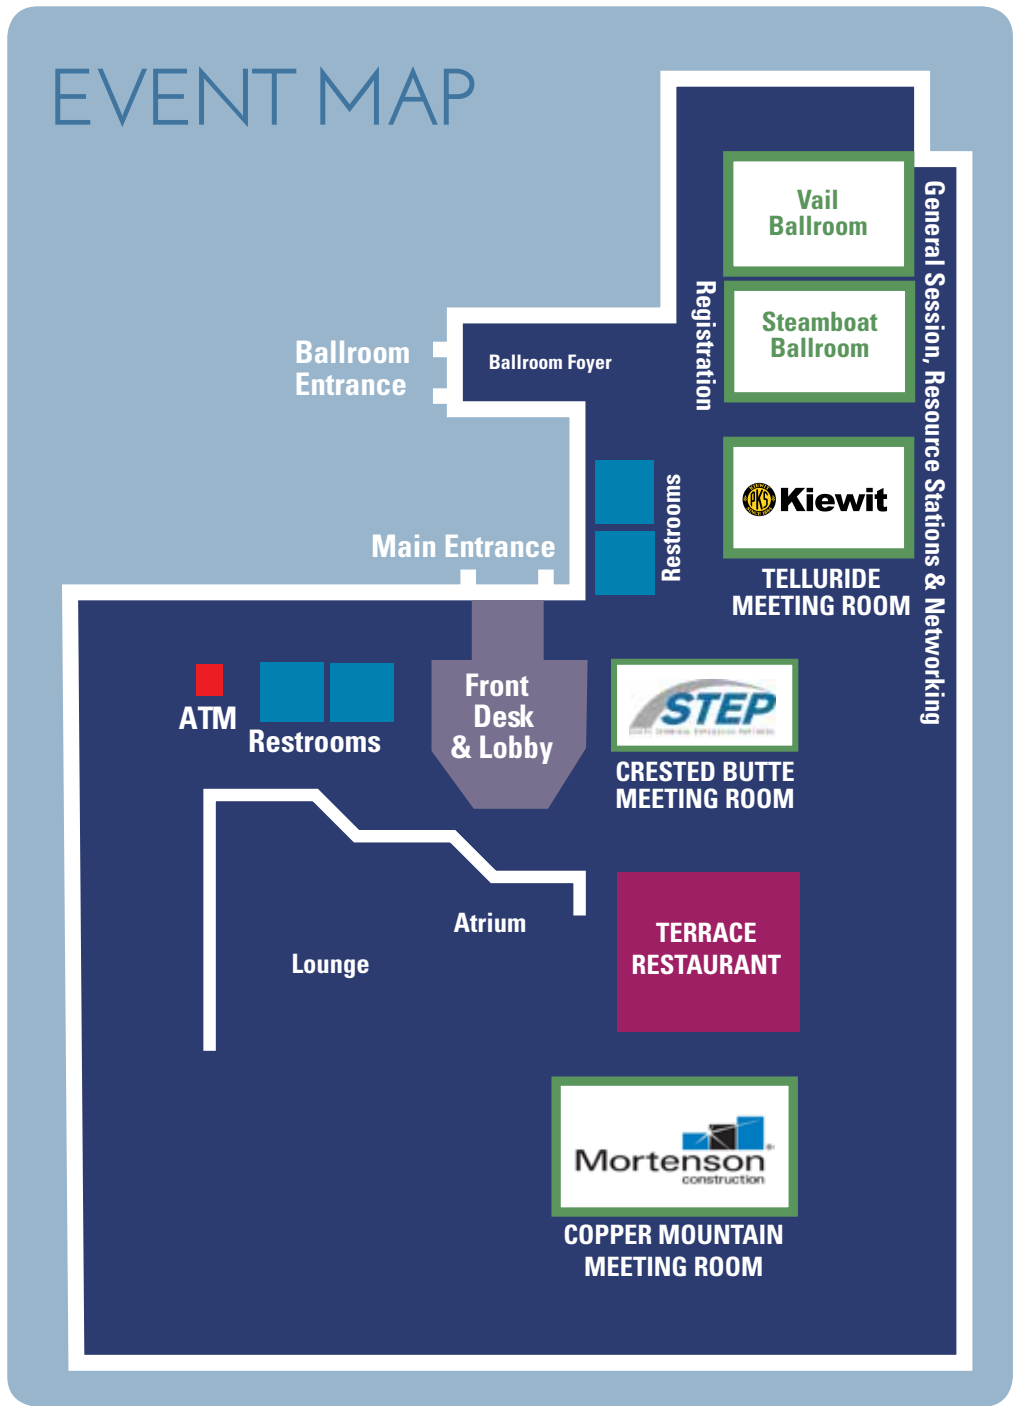

- 4:00 – 5:00 Registration/Networking
- 5:00 – 5:30 Program Presentation  
(DIA, PMT & Prime Contractors)
- 5:30 – 5:45 Passing Period/Networking
- 5:45 – 6:15 Roundtable Session A
- 6:15 – 6:30 Passing Period
- 6:30 – 7:00 Roundtable Session B
- 7:00 – 7:15 Passing Period
- 7:15 – 7:45 Roundtable Session C
- 7:45 – 8:00 Official Program Completed –

## RESOURCE STATIONS

In an effort to ensure firms have access to the tools and resources necessary to enhance their competitiveness and capacity, we have invited several resources to participate in today's event, including:

- Bonding/Finance/Insurance
- Business Development Services
- Certification (Denver Office of Economic Development)
- Chambers of Commerce and Community Organizations
- DIA Information
- Parsons/Program Management Team Information
- Proposal Development Services
- Workforce Development
