

AIRPORT ID BADGE CERTIFICATION FORM Denver International Airport

The Transportation Security Administration (TSA) requires that Denver International Airport (DEN) **must** have confirmation that all active Airport ID Badge holders are current. Please audit your Badge Certification to verify that all DEN Airport ID Badges are to be active. The Badge Certification Form must be filled out and returned to Airport Security by E-Mail, fax, USPS, or dropped off within ten **(10) business days from the date of the notification for the Badge Certification**. Failure to return the report will result in a case of non-compliance with TSA mandated DEN Airport ID audit requirements. This may result in a loss of Airport ID badge access privileges and/or the issuance of a Violation Notice to the company's Authorized Signatory(ies).

Company information required (type or print legibly):

Company Name: _____

Authorized Signatory Name (please print): _____

Email Address: _____

Contact Phone Number: _____

Section 1: Authorized Signatory Acknowledgement:

By **marking** the box below and signing in **Section 2**, you are certifying that you have reviewed the Badge Certification for accuracy:

I certify that that I have reviewed this Badge Certification for accuracy.

Section 2: Authorized Signatory Badge Certification:

I, as the Authorized Signatory, with my signature certify that I have audited the Badge Certification for my company/department.

- Any discrepancies must be reported to Airport Security immediately. You may do this by visiting either of the Airport Security offices in person, calling (303) 342-4300 during business hours or after hours to (303) 342-4210. You may also use the Airport ID Badge Termination Request/Receipt Form, 30-FM-74 to report any discrepancies.
- It is the Company's' responsibility to notify DEN immediately to terminate an Airport ID Badge.
