

# AIRPORT SECURITY AUTHORIZED SIGNATORY DESIGNATION

COMPANY NAME/DEPT: \_\_\_\_\_

**The following individual(s) are authorized to sign Airport Security Fingerprinting & Badging Applications and all other Airport Security forms.** The responsibilities of an Authorized Signatory are outlined in §20.03 of the Denver Municipal Airport System Rules and Regulations (<https://as.flydenver.com>). An Authorized Signatory who fails to follow these procedures may have his or her Authorized Signatory privileges and/or Airport ID badge revoked or suspended.

Please list all active Authorized Signatories for your company. If you are not listed below, you will be removed as an Authorized Signatory. For a list of your company’s active Authorized Signatories, please log-in to the Authorized Signatory website and click on the “Company Authorized Signatory List” tab. Authorized Signatories are only required to provide a signature if they are a new Authorized Signatory or need to update their signature on file with Airport Security.
